ROCKY MOUNTAIN GEO-CONFERENCE

DoubleTree by Hilton
8773 Yates Drive
Westminster, CO 80031

NOVEMBER 6, 2020

CALL FOR PAPERS

All Local & Regional Geotechnical Topics Welcome

Potential Topics Include:

- Notable Project Updates (Central I-70, Jefferson Parkway)
- Innovations in Geotechnical Engineering and Construction
- Geotechnics in Underground Space
- Aging Infrastructure Failures and Rehabilitation
- Earth and Rockfill Dams and Levees
- Landfills and Hazardous Waste Management
- Mining and Energy
- Transportation Geotechnics
- Natural Hazards, Disasters and Recovery
- Geotechnical Risk and Reliability
- In-Situ and Laboratory Testing Methods
- Instrumentation and Monitoring
- Design Build / Alternative Project Delivery
- Numerical Modeling and Analysis
- Infrastructure Policy
- Case Histories

IMPORTANT DATES

ABSTRACT DEADLINE:
November 1, 2019

ACCEPTANCE NOTICE:
November 22, 2019

PAPERS DUE :
March 13, 2020

Submission Instructions

Please email your abstract as text within the body of the email to Jere Strickland at jstrickland@martineztesting.com by 5:00 PM Mountain Time on November 1, 2019. With the abstract, please indicate your name, your role in the subject matter, your daytime telephone number, and your return email address. This abstract is for informal Steering Committee review, not for publication.

ASCE will publish accepted papers as a Geotechnical Practice Publication (GPP). Authors and attendees will be granted electronic access to the GPP.
